# 1st European Congress of Veterinary Endoscopy and Image-guided Interventions

Barcelona, June 5<sup>th</sup> and 6<sup>th</sup>, 2020

## PRESENTATION

The different techniques of endoscopy and minimally invasive surgery offer animals minimal suffering and rapid recovery.

With this congress we want to encourage discussion among experts on the subject and give veterinarians the opportunity to present their clinical cases, so that they can be discussed and knowledge-exchanged.

We hope the program will be of interest to you and we're waiting for you in Barcelona next June.
